Principal's Message

This week we welcome to TBPS four student teachers in the second year of their degree at Newcastle University. Sarah Mainey will be working in 2L, Kate Holland in 4H, Debra Johnson in 2M and Abbie Newell will be working in 1S. We hope the next three weeks will be a great experience for them and look forward to welcoming them into our school.

We are having our Book Fair and Book Week parade this week at TBPS. I would like to thank Mrs Carlson for organising our fantastic Book Fair. Officially Book Week is next term and we will celebrate a number of other fun activities at that time.

Good luck to our wonderful dancers who are performing in Star Struck this year. They will spend three long days and nights at Newcastle Entertainment Centre rehearsing and performing in the annual Star Struck concert. This is the largest performance event held in the Hunter with more than 1,000 students performing for more than 10,000 spectators. This is a wonderful experience for our dancers and I would like to thank Mrs Graham, Miss Schofield, Mrs Schulz and Mrs Eather for their coordination efforts.

Reminder to all parents that schools are not expected to provide supervision for students any earlier than the half hour before normal school classes commence in the morning. Our school day starts at 9.05am and therefore teacher supervision begins at 8.35 am on the playground. Students should not be at school before the 8.35am bell as there is no supervision during this time. If you need to drop your child at school before 8.35am please make arrangements with our Out Of School Hours Care (OOSHC) provider Camp Australia.

At TBPS we have a 9.00am warning bell for students and staff to organise themselves for the start of the school day. This warning bell is the cue for students to stop playing and go to the toilet and get a drink so that they can be at class and ready to learn when lessons begin at 9.05am. It would be beneficial to all students if parents could organise to have their children at school by 9.00am. There are a significant number of students arriving after 9.05am which disrupts their learning and the learning of others in their class. We understand that lateness is sometimes unavoidable but please be vigilant in getting your child to school on time.

Reminder to all parents that at TBPS the school day finishes at 3.05pm and children who are picked up by parents must be picked up at this time. We understand that due to unforeseen circumstances occasionally parents may be a few minutes late. However, your child can get distressed if you are not at school to pick them up on time. If you are going to be more than 5 minutes late please ring the school and inform us. If you know in advance or are regularly picking your child up late from school then please make arrangements with our OOSHC.

Due to the natural disaster this term and our recent Public Holiday we have missed a couple of whole school assemblies. To ensure our students are able to receive the awards they have earned we will have whole school assemblies on the Mondays of Week 9 and 10.

Have a great weekend everyone.

Stuart Wylie
Principal
**Maths for Real Life**
The shopping centre is one of the best examples of a place where maths is real. It's a great place for practicing measurement, estimation, and quantity. Since trips to the shops usually involve the children try to include them in working out value for money.

As parents, we often choose the item that represents better value by comparing the “price per 100 gram” - verbalising your thinking helps children to refine their own mental processes. Budgeting, adding monetary values and calculating change are all skills that benefit from practice in a real-life situation.

Giving older kids $10 or $20 and a small shopping list develops these skills as well as fostering a sense of independence.

**Public Speaking**
Congratulations to Taniesha Tetevano and Madeline Lilley who will be representing our school in the Multicultural Perspectives Public Speaking Competition at Belair Public School on Tuesday 23 June, 2015. The girls have done a fabulous job preparing their speeches and we wish them all the best.

Mrs Wolfe and Miss Bevan
Public Speaking Coordinators

**Kindergarten**
Our Kindergarten students have been very busy this term and we are very proud of the achievements they have made so far this year. Please continue to read each night with your child’s home reader. Remember that Home Readers are returned **Monday, Wednesday and Friday** to be changed. This Friday 12th of June is our annual Book Parade; students are encouraged to dress up as a character from any of their favourite books. The Book Parade will be held in the Hall at 10am and all parents are welcome to attend as we showcase our wonderful costumes.

As the weather gets colder we have had a number of students coming to school in gloves and scarves. As the day warms up children have been taking them off and leaving them around the playground. Please make sure all clothing items are labelled so they can be returned to the right classroom.

We look forward to another great end of term and look forward to our Reward Day Disco in Week 10.

The Kindergarten Teachers.

**Stage 1**
Last week we had our “Things that Creep and Crawl” incursion, we had so much fun learning about bugs and we even got to hold some creepy bugs and make our own bugs!
This week is Book Fair week. There are lots of books in the library for sale. You can give your child money to buy a book on their library day or at lunch times you can buy some books too. We hope you have all started to make your costumes for Book Week Parade on Friday. Will we see a Gruffalo? Or a Stellaluna? Year 1 and 2 have been reading all about the books in class. There is a jelly bean and book guessing competition on at front of the library this week. Who will win some movie tickets for Hoyts Charlestown? Be in it to win it!

Not long until holidays! May you all be safe and kind to one and other!
Stage 1 Teachers

4H
Wow! This term has flown. There is only three weeks until the school holidays. In class, we have been enjoying learning about communities and particularly looking at our local area, the Tilligerry Peninsula. When writing, we have been concentrating on using interesting vocabulary, adjectives and adverbs to make our writing more entertaining.
Students have been encouraged to learn their multiplication tables. It is important to have an automatic recall these facts. One of our favourite maths games is the ‘Timetable Ladder’.
We are very excited about Great Aussie Bush which is taking place next term. The initial deposit was due in week 6. Please ensure you are making regular payments.
Don’t forget… the book parade is this Friday. This is my first book parade at Tanilba Bay Public School and I can’t wait to see all the wonderful costumes.

5D
Congratulations to all of our fantastic 5D team who worked extremely hard on their HSIE assignments for Mrs Carlson. In class they have also been doing their personal best to create some wonderful solar system displays.

At the moment we are really enjoying learning about the journey of one of Australia’s most famous refugees, Anh Do. We have been exploring the way in which illustrations contribute to the overall context and emotion of the story. The children have created fantastic pieces of visual literacy to portray the contrast of the past and the bright future.

Lisa Dovey
**Book Parade BBQ**
This Friday 12th June, we will be holding a BBQ alongside the Book Parade, sausage sandwiches will be available for $2, no need to preorder!

**Uniform Shop**
Our uniform shop, located in the AV room is open Mondays 9am – 10am and on Wednesdays 2.30pm – 3pm. Don’t forget if you can’t make it on these days, you can also leave an order at the office and we will put it together for you next time the uniform shop is open and these can be sent home with your child.

**Next Meeting**
Our meetings are held on the last Thursday of each month at 3:15pm. Our next meeting will be Thursday 25th June in the library. All welcome to attend.

A full day for the kids with lots to do and it’s for a great cause!!!!!!!!!!!!!
Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department’s website at http://education.gov.au/notices.

If you have any questions about the data collection please do not hesitate to contact Mrs Flux.
